The screenshot shows the homepage of the Quince website. At the top, there is a navigation bar with links for New Arrivals, Best Sellers, Women, Men, Home, Baby & Kids, Travel, Lookbooks, Corporate Gifting, and About. A banner at the top of the page states "Free shipping & easy returns for 365 days." Below the banner, the Quince logo is displayed. The main content area features a grid of images showing various products: a woman in a dark blue dress, a stack of folded sweaters in shades of blue and grey, two women in light blue and grey cashmere sweaters, a bowl of colorful yarn, a woman in a dark blue dress sitting on the floor, a close-up of a light blue sweater, and a woman in a light blue sweater sitting on a chair. To the right of these images, a promotional box for cashmere is shown with the text "20% MORE CASHMERE", "Cashmere beyond compare", "Softer, Smoother, Stronger, Thicker, Better.", and "FROM \$39.90". A "SHOP NOW" button is also present. Below this, the text "Explore everything" is displayed, followed by a horizontal navigation bar with categories: Sweaters, Bedding, Tops, Bags, Jeans, Cashmere, and Home. Each category has a small thumbnail image and a right-pointing arrow indicating more options.
